

# PEARL HARBOR CHRISTIAN ACADEMY

94-1044 WAIPIO UKA STREET, WAIPAHU, HAWAII 96818 (808) 678-3997

Dear Prospective Applicant:

Thank you for your interest in being part of the ministry at Pearl Harbor Christian Academy (PHCA). Upon listing our needs on the ACSI website, we received a surprising amount of out-of-state applicants. Relocation is a prayerful decision where many factors must be carefully considered. We want to inform applicants in advance that relocation expenses for an individual or family is not included in our employment package.

With this in mind, if our ministry is still the direction God is leading you, please complete each of the attached forms listed below and return them to our school office. You may also include your resume, if we do not have it already on file.

- PHCA Employee Qualifications form
- Employment Application
- Calvary Chapel Pearl Harbor Statement of Faith

If you will be arriving in Hawaii in the near future, please indicate when in your cover letter. Otherwise, please let us know the time difference between our states and what are the best days and times when we can conduct a phone interview.

Thank you again for your interest in Pearl Harbor Christian Academy. We pray that God will direct you in all your endeavors and He leads you to the ministry that is in His perfect plan for you. Until then, we look forward to receiving your application.

Sincerely in Christ,

Phebe Sumida, M.Ed.
